Dear Sir: /HV/

Upon reviewing the above-identified patent, Patentee noted typographical errors which should be corrected. The priority information listed is incorrect. Please note that Applicant is attaching a copy of the Preliminary Amendment filed December 17, 2003. This Amendment was obviously entered, as evidenced by Column 1, lines 6-57 of the issued patent.

The errors were not in the application as filed by applicant; accordingly no fee is required.
